

Thru-hole mounting right angle 12v 100mA slide switch Sub-Miniature type

Parameter

2 position slide switch

Max. Current: 100mA

Max. Voltage: DC12V

Function: DPDT

Mechanical Life: 10000 cycles

Operating force: 200gf±50gf

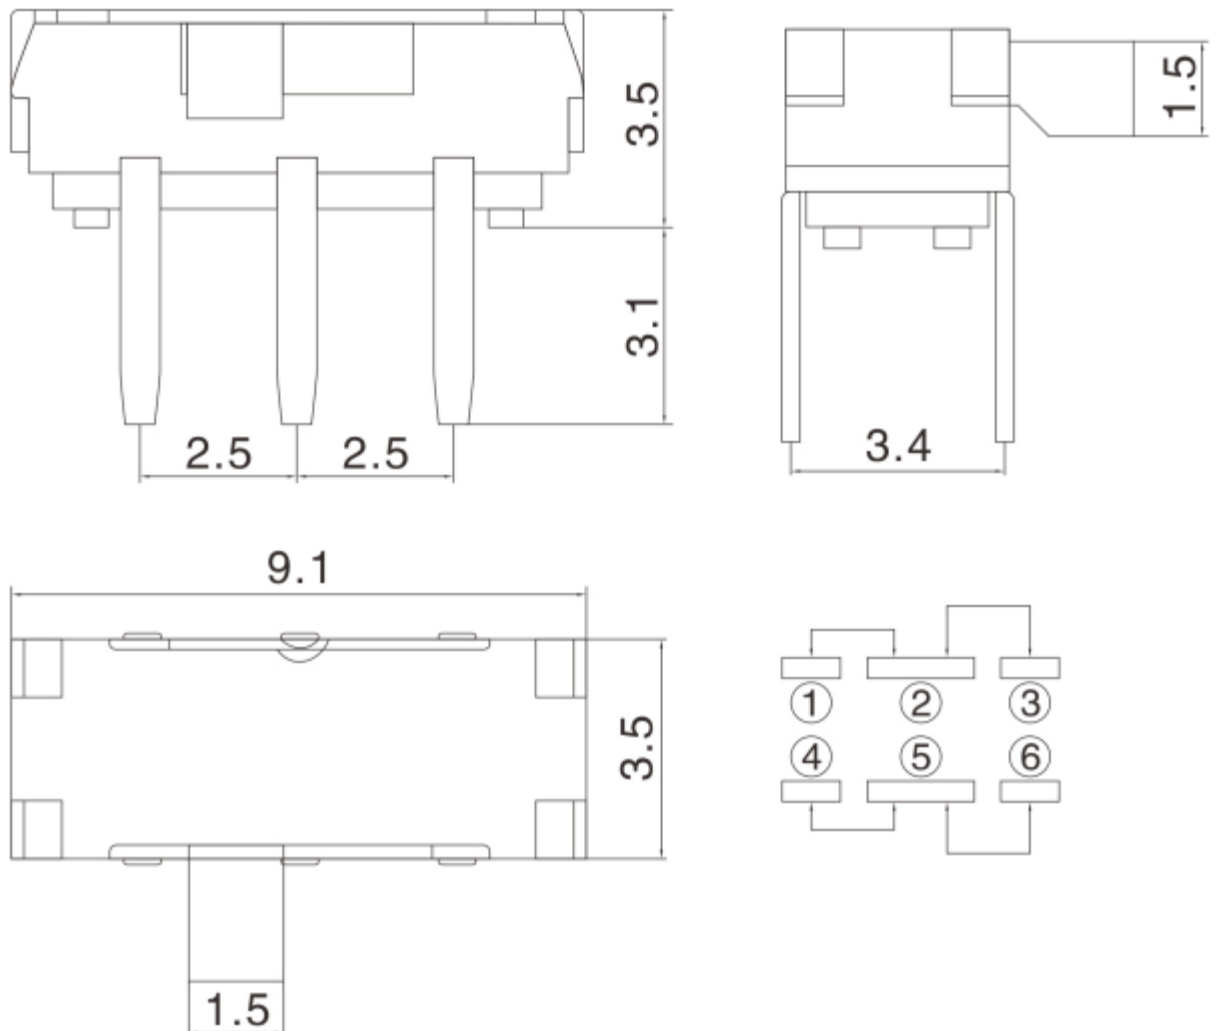

Contact resistance: 100mΩ Max

Insulation resistance: 50MΩ Min

Handle height: 2mm

Travel to closure: 2mm±0.2mm

Drawing

Typical Applications

Telecommunication products

Computer peripherals

Thermostat select switch

Instrumentation

Medical
