

**φ32mm mylar speakers 8Ω 2W**  
**Internal magnetism KLS3-YS03A-32MM-8R2W**

**Product Information**

**Φ32mm mylar speakers 8Ω 2W,Internal magnetism**

Housing Material: **Iron shell**

Cone Material: **Mylar**

**Order information:**

**KLS3-YS03A-32MM-8R2W-□**

YS-Iron shell,Internal magnetism

03-Arrange

A-Planar membrane B-Corrugated membrane

32MM-Diameter

8R-Rated impedance

2W-Rated power

None-Without cable L60MM-Cable length 60mm (Length can be customized)

| Item            | Specification                             |
|-----------------|---|
| Rated Power     | 2.0W                                      |
| Rated Impedance | 8Ω ± 15%                                  |
| Output S.P.L    | 87±3dB At 0.1W/0.1M at 1.0K,1.2K,1.5K KHz |
| Resonance Freq  | 780Hz±20% At 1.0V                         |
| Frequency Range | F0—7.5K                                   |
| Max Distortion  | 10%                                       |
| Magnet Material | Nd-Fe-B                                   |
| Operate temp    | -20~+60°C                                 |
