

NVRAM Lead-free Ordering Information

- ❑ SNAPHAT® Top and DIP 24/28 (CAPHAT™) Lead-free (ECOPACK) products will only be indicated by the letter “E” in the top-side marking of the package.
- ❑ SO8, SO16, SOH28, SOH44, SOX18/28, TSSOP8, SOT23, and SOT143 Lead-free (ECOPACK) part numbers will be indicated by the character at the end of the sales type code as well as the letter “E” if the package size allows.
 - Examples:
 - M41T56M6 Standard SnPb Plating (Tubes)
 - M41T56M6TR Standard SnPb Plating (Tape & Reel)
 - M41T56M6E E = Lead-Free (Tubes)
 - M41T56M6F F = Lead-Free (Tape & Reel)
- ❑ Please notify ST Sales Office if Lead-free product is required.

Lead-Free Device Identification

- ❑ In order to identify Lead-free semiconductors, the letter “E” (as in ECOPACK®) is added to the device marking any time the size of the package makes it possible (example B).
- ❑ ECOPACK is also mentioned on the packing label (example A).
